Primitive camping is available at no charge.

A potluck is planned for Saturday evening. Burgers & dogs provided ~ bring a side-dish or something to share, and bring your own beverages.

Driving directions:

From US I-25, take exit #242 for US-550 West. Continue 22 miles to San Ysidro (watch your speed through town), and go about 1 mile to the west of town.

On the north side of the road there is a gated, sandy/dirt road. The gate should be unlocked on event days, but please close it after going through (don't lock it). If you are arriving on Friday, call John at 575-430-2079 for entry instructions.

The event area is about 1.2 miles up the road, and the road is generally passable by any vehicle.

This area is shared ~ so please be courteous if you come across any hikers or cattle grazing.
